15. Recommendation of the Head of Department Inspector-General of Registration. As per the will (copy enclosed) executed by the deceased on 21-10-49, which has come into force after his death, the whole property is vested in the hands of the executor who is to look after the estate for another 13 years until the eldest son who is now only 17 years of age, attains the age of 30 years. The petitioner is entitled only to the General Provident Fund amount of Rs.550/- and amount due under insurance policy for Rs.1,000/- with jewels worth Rs.150/-. But the policy matured during the life time of the deceased and the General Provident Fund amount has not been paid to her. It is further stated in para-graph 3 of the will that the dowry payable to the daughters shall be the first charge on all cash monies including the General Provident Fund amount. Thus though the assets left by the deceased are substantial, the petitioner does not stand to gain such by any immediate benefit under the will.

Therefore, in view of the hard and pitiable circumstances of the petitioner and the fact that she has been cut off from any hold on the assets left by the deceased and considering her difficulty to maintain herself and her children who are all too young for any help in the near future, a compassionate gratuity of Rs. 2,400/- (Rupees Two Thousand and four hundred only) is recommended as a special case.

ENCLOSURE.

WILL.

Know ye all men that I, Ralph Alexis Pinto son of the late Mr. J.M. Pinto, residing at "East Woodlands", Kadri, Mangalore, Rationing Officer, Mangalore, do hereby consciously and in full health make disposition of my moneys and property to take effect after my death as hereunder, subject to alteration or withdrawal by me.

I was one of the three beneficiaries under the will of my father the late Mr. J.M. Pinto, the other two beneficiaries being my two elder brothers (1) Paul J.R. Pinto and (2) Rao Sahib Cecil J. Pinto and entitled to an equal 1/3 share in the movable and immovable properties including cash left over by him. For the sake of convenience of equitable partition among the three beneficiaries I proposed to release in favour of my two other brothers Paul and Cecil my 1/3 share of the properties to which they having agreed. I executed a Release Deed dated 13-7-47 and registered as document No.1809/1946 for a cash consideration of Rs.25,000/-. Of this amount Rs.12,500/- has been paid in full by Paul on his own account and also Rs.2,000/- on behalf of Cecil for equilisation of shares as between them as settled by the arbitrators choses and agreed to by them. I have, therefore, to receive Rs.10,500/- from my second brother Cecil for which he has executed a demand promissory note in my favour and the amount carries an interest of 3% per annum. This sum of Rs.10,500/- in the event of my death, shall be equally devided among my male children Michael, Patrick, and Teddy and any male issue I may hereafter beget. I have acquired a house and garden now called the "East Woodlands" bearing Revenue Survey Number 84/9, 7 and measuring about 35 cents in extent from Mrs. D. Colaco and her children for a cash consideration of Rs.14,000/- as per sale deed. This house and garden shall be in the common enjoyment of my wife and all the children both male and female surviving me till my eldest son Michael attains the age of 30, when the property will devolve on him solely and exclusively subject to his paying Rs,5,000/- to each of my other two sons, viz., Patrick and Teddy or Rs.10,000/- in all or such lower price as may be fixed for the property by four competent arbitrators agreed upon by the beneficiaries including any male issue I may beget subsequent to the date of execution of this my will. And he shall act on this stipulation within one completed year from the date of his attaining the age of 30 years or else his right to ownership of property will lapse and the next seniormost son shall comply with these stipulations immediately the defaulting son being entitled to equal share proposed for the others. So on this should proceed till it is clear that none of them choose to retain and take possession of the house and garden on the above stipulations when it will be sold to the highest bidder and the amount realised equally divided among my sons. All my movables, furniture, copper vessels and cattle should be the property of my son who acquires the house and garden the others having absolutely no claim whatsoever. In the event of none of them retaining possession of the property as stipulated above the movables referred to above also should be sold and the amount divided among the sons.

I have three Insurance policies in the Oriental Government Security Life Assurance Company Ltd., Viz., 530686, 530687 and 538367 in all for Rs.6,000/-, and one policy 18224 for Rs.1,000/- in the Bombay Mutual Life Assurance Society. All these monies will be due to my heirs. Out of this amount Rs.5,000/- should be set apart as dowry of my darling daughter Thelma. If any other daughters should be born to me before my death and after writing this will they should each be given a like amount as their dowries from out of whatever cash amount is available under this will. Any balance left over shall be equally shared by my sons. The amount of dowry or dowries payable at the above rate to my daughter or daughters shall be the first charge on my cash monies including the G.P.F. account and the consideration due on the Demand Promissory Note executed in my favour by my brother Cecil. The residue, if any,

P.T.O.

will be qually shared by my sons. The necklace belonging to my deceased first wife shall be the property of my daughter Thelma.

I have noticed that there is not much good will subsisting between my present wife and the two children of my late wife, and therefore, I appoint my dear brother Cecil to be sole Executor of this Will. He will be sole judge to decide any points that may arise after my death and his decision will be final and binding on all the beneficiaries under this my will. If any of the beneficiaries dispute his power and decision, he has the power to keep such differing member from the scope of this will and proceed with the disposition of the properties, cash, etc., as laid down by me as if such a dissenting member was non-existing and he will cease to benefit under the will. My brother the executor under the will shall have full discretion and power to spend any reasonable and justifiable amount for the education of my children and all of them are entitled to receive the same upto the S.S.L.C. Standard free out of the family funds left by me and thereafter, all expenditure incurred on higher education shall be debited to such share as they may get under this will. The division of property shall be made only after my son Michael completes 30 years or the youngest son attains his 21st year by my brother Cecil, Executor of this will.

I desire that my funeral shall be conducted in a fitting manner in keeping with the family tradition at a cost not exceeding Rs.500/- and his amount shall be a first charge on the property.

The gold and jewellery now or hereafter prepared and given to my present wife shall remain with her and none shall have any claim over the same. The son inheriting the house property under the will shall look after her only if she remains with him and in the family house or else she will be entitled to the G.P.F. amount and the insurance policy No. 18224 for Rs.1,000/- in the Bombay Mutual Life Assurance Society.

Pinto this 21st of October, 1949.

" The District Registrar, S.Kanara.

Sir,

I am the widow of the late Mr.R.A.Pinto, Sub-Registrar, Puttur, S.Kanara Dt. He died after six weeks of acute illness on the morning of 15th August last, leaving 7 minor children (4 sons and 3 daughters - the ages of the last 3 children being 5 years, 3 years and 11 months) in straitened circumstances. My late husband had several years of active service before him and normally he would have completed them and retired on a pension but the long and arduous work of Ration Officer in Mangalore, which he carried out with great strictness and I believe efficiency, shattered his health and his transfer to Puttur where for want of a house nearby he had to live 2 miles off and cycle uphill every day, completed the destruction of his constitution.

I pray therefore that the Government will be pleased in their generosity, to grant me a compassionate gratuity sufficient to enable me to tide over the difficult days ahead and also to exempt my children from payment of school fees, a privilege they possessed when their father, a non-Gazetted officer, was living; for which act of kindness, xx I and my helpless children will for ever be grateful.

Your obedient servant,

Judith Pinto
